

The recipe for supply chain success

We are PSA BDP: Your logistics and trade compliance solutions provider, specializing in the Food, Beverage and Ingredient industries for over 50 years. We are a trusted partner for those who must ensure their commodities, from agricultural through finished processed goods, arrive safely and timely.

Food, Beverage & Ingredient Expertise

- Regulatory & Trade Compliance solutions
- Industry leader for bulk transport: isotank, drum, IBCs/totes, bulk parcel tanker
- ISO and IATA certifications
- Expertise in transport and storage of bulk liquid & granulated substances
- Perishable handling expertise
- On-demand tracking through Smart Suite visibility software
- Harmonized Tariff classification assignment and validation
- Trained and certified staff with comprehensive SOPs

Innovation

SMART SUITE

We also offer a proprietary suite of visibility and order management applications to provide proactive control over your end-to-end supply chain.

SMART RETAIL

Smart Retail is a global shipment visibility tool that allows you to view shipping documents, track, and rely upon up-to-date inventory information for global rates, booking requests and vessel schedules.

SMART VU

Smart Vu is the all-inclusive solution to order management. From requisition and inception of PO through final delivery, Smart Vu serves as the centralized portal for vendor and supplier management, allowing you to track milestones and integrate all parties in the supply chain.
